

It's been awhile but the words of the brother (may Allah be with him) shall ring in the ears of the believers forever.

RICHARD REID: I start by praising Allah because life today is no good. I bear witness to this and he alone is right to be worshiped. And I bear witness that Muhammad Sa'laat Alayhi as-Salaam is his last prophet and messenger who is sent to all of mankind for guidance, with the sound guidance for everyone.

Concerning what the Court said? I admit, I admit my actions and I further, I further state that I done them.

JUDGE: I didn't hear the last. I admit my actions and then what did you say?

REID: I further admit my allegiance to Osama bin Laden, to Islam, and to the religion of Allah. With regards to what you said about killing innocent people, I will say one thing. Your government has killed 2 million children in Iraq. If you want to think about something, against 2 million, I don't see no comparison.

Your government has sponsored the rape and torture of Muslims in the prisons of Egypt and Turkey and Syria and Jordan with their money and with their weapons. I don't know, see what I done as being equal to rape and to torture, or to the deaths of the two million children in Iraq.

So, for this reason, I think I ought not apologize for my actions. I am at war with your country. I'm at war with them not for personal reasons but because they have murdered more than, so many children and they have oppressed my religion and they have oppressed people for no reason except that they say we believe in Allah.

This is the only reason that America sponsors Egypt. It's the only reason they sponsor Turkey. It's the only reason they back Israel.

As far as the sentence is concerned, it's in your hand. Only really it is not even in your hand. It's in Allah's hand. I put my trust in Allah totally and I know that he will give victory to his religion. And he will give victory to those who believe and he will destroy those who wish to oppress the people because they believe in Allah.

So you can judge and I leave you to judge. And I don't mind. This is all I have to say. And I bear witness to Muhammad this is Allah's message.

Judge: ... Look around this courtroom. Mark it well. The world is not going to long remember what you or I say here. Day after tomorrow it will be forgotten. But this, however, will long endure. Here, in this courtroom, and courtrooms all across America, the American people will gather to see that justice, individual justice, justice, not war, individual justice is in fact being done.

... See that flag, Mr. Reid? That's the flag of the United States of America. That flag will fly there long after this is all forgotten. That flag still stands for freedom. You know it always will. Custody, Mr. Officer. Stand him down.

REID: That flag will be brought down on the Day of Judgment and you will see in

front of your Lord and my Lord and then we will know. (Whereupon the defendant was removed from the courtroom.)
